

REGULATORY EXAM

RE1 and RE5 Preparation Workshops

What is this?

The FSB requires all Representatives and Key Individuals to complete compulsory exams set by the FSB to be written through FPI or Moonstone. Our sessions prepare you to write and pass these exams on the first attempt

Who qualifies?

Any person may write the exams at any time. No experience, credits or a qualification is a pre-requisite to write the exam

What does it entail?

In short, you attend a 2 day workshop with us where we provide you with excellent full colour notes that is easy to study from, self assessments and a fantastic 120 question mock exam indicative of the type of questions that you can expect to find in the exam

All our facilitators have a brilliant pass rate, even with learners that have failed the exam a number of times

The facilitators will provide you with real and practical examples in order to understand the technical material to improve your chances of success

RE1 & RE5

Any person may attend our training on the Regulatory Exam Level 1 for KI's and Representatives, referred to as RE1 and RE5

Persons that need to write both RE1 and RE5 only need to attend the RE1 training which will equip you for both exams (new FSB updates require KI's to write RE1 only)

Forget other material and mock exams - all you need to pass this exam is already inside of you and the material we will supply you with

The process

- You will register for one of our sessions
- You will complete the registration form and we will issue you with an invoice
- Upon payment we will confirm your attendance
- Training happens over two days
- You would need to complete a mock exam to be assessed on the second day
- Advance preparation is advised

What do I need?

You will receive all the material and assessments from us

The ideal situation will be if you could study the material and attempt the mock exam and other self assessments prior to the facilitation, but it is not a requirement

Our material is easy to understand with lots of graphics and colour - possibly the best in the industry (we have been told ;o)

Our mock exam is derived from actual exam questions so prepares you for what you will get in your exam

Free videos online SOON!

What else you need to know

No entry level requirements

You will be provided with

- RE Prep material in full colour designed and updated by René Ronge
- Material contains full colour graphics to assist learners with assimilation and retention of material
- Relevant FAIS newsletter
- 120 question mock exam based on exam questions
- Self assessments
- Timelines and other summaries

You need to book and pay for your exam yourself - we will point you in the right direction

We offer discounts to multiple persons, loyal clients and corporate companies that register more than 20 persons

The Cost

R1 870 VAT exclusive

R2 150.50 VAT inclusive

Discounts will apply to groups of learners - please enquire as to your specific needs
